Christ Church Budget Report
as of
7/31/2017

Summing It Up: We know that large maintenance repairs loom ahead and we've started a NB Roof Reserve and PH Roof Reserve to help structure for better long term maintenance funding. We continue need to use our Cash Reserve, which hinders our ability to fund the maintenance reserves! Currently the reserves have been underfunded for 2017 but we hope to catch up in the summer and fall.
